Warning/Caution

WARNING/CAUTION
RISK OF ELECTRIC SHOCK
DO NOT OPEN

TO REDUCE THE RISK OF ELECTRIC SHOCK DO NOT REMOVE COVER (OR BACK). NO USER SERVICEABLE PARTS INSIDE. REFER TO QUALIFIED SERVICE PERSONNEL.

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of uninsulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

Caution

Changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Do not attempt to modify this product in any way without written authorization from the dealer. Unauthorized modification could void the user's authority to operate this product.

To prevent fire or shock hazards, do not expose this product to rain or moisture.

Important Safety Instructions

1. Read these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this product near water.
6. Clean only with a dry and soft cloth.
7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or any other apparatus (including amplifiers) that produces heat.
9. Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
10. Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
11. Only use attachments/accessories specified by the manufacturer.
12. Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the unit. When a cart is used, use caution when moving the cart/monitor combination to avoid injury from tip-over.

13. Unplug this product during lightning storms or when unused for long periods of time.
14. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
15. Do not expose this product to dripping or splashing and ensure that no objects filled with liquids, such as vases, are placed on the unit.

Basic instruction

Equipment subassembly

Please check your monitor equipment subassembly including the followings:

Input voltage

AC 100 - 240V ~ 50 / 60 Hz
DC 12V $\overline{\text{---}}$ 3A

Power indicator light

Indicator	Mode
No light	Power off
Blue light	Normal work statement
Blue light flash	No signal input

Keys Function

5 Keys Model	
Key	Function
① MENU	Show OSD menu/select function
② DOWN	Move icon down/decrease value
③ UP	Move icon up/increase value
④ EXIT	Back to last menu
⑤ 	Turn ON / OFF monitor

Connection

Connecting cables

Connect the power cord of AC adapter to DC IN port on the back of your monitor
Plug the AC adapter into a nearby outlet
Use a appropriate connection for your computer

On Screen Display(OSD)

Display

1. BRIGHTNESS – Adjust the brightness from 0 to 100.
2. CONTRAST – Adjust the Contrast from 0 to 100.
3. ECO – You can select the ECO you are using. The options are: Standard, E-Book, Movie, Picture.
4. Blacklevel – Adjust the Blacklevel from 0 to 100.
5. Aspect Ratio – You can select the Aspect Ratio you are using. The options are: Wide Screen, 4:3, Auto.
6. Sharpness - You can select the Sharpness you are using.
7. Professional Mode – You can select the Professional Mode you are using. The options are: Standard, sRGB, AdobeRGB, DCI-P3.

Color

1. Color Temperature – This option adjusts the intensity of the color.
 - a. Normal – This color temperature is for Set as Normal color temperature.
 - b. Warm – This color temperature is for Set as warm color temperature.
 - c. COOL – This color temperature is for users who prefer a cool white balance.
 - d. USER – This color temperature is for users who would like to adjust the RGB (red, green, blue) values manually.
2. Red – Adjust Red Color of color temperature.
3. Green – Adjust Green Color of color temperature.
4. Blue – Adjust Blue Color of color temperature.
5. 6-axis Hue – Adjust the red Hue, Green Hue, Blue Hue, Yellow Hue, Magenta Hue, Cyan hue or Hue Reset.
6. 6-axis Saturate – Adjust the Red Saturate, Green Saturate, Blue Saturate, Yellow Saturate, Magenta Saturate, Cyan Saturate or Saturate Reset.
7. LOW blue Light – Filters out low blue light to protect your eyes by adjusting how much low blue light is shown. You can choose off, low, Medium, High, MaxHigh.
8. RGB Range – You can select the RGB Range you are using. The options are: Auto, RGB(0-255), RGB(16-235).
9. Color Format – When using the docking station to convert the signal, if the color picture is abnormal due to the wrong grabbing signal, this function can be adjusted to correct the color. If the grab signal is correct and the color is normal, this function is turned off by default.

On Screen Display(OSD)

Game Set

1. Game Mode – You can select the GameMode you are using. The options are: Standard, G1, G2, G3, FPS, RTS.
2. Game Cross – You can select the Game Cross you are using. The options are: Off, Cross1, Cross2, Cross3, Cross4.
3. Response Time – You can select the Response Time you are using. The options are: off, Normal, Best, High, Extreme.
4. Dynamic Response Time – This option will allow you to open or close Dynamic Response Time.
5. Adaptive Sync – This option support a dynamic refresh rate aimed at reducing screen tearing.
6. Refresh rate – This option will allow you to open or close Refresh rate.
7. Owl Sight – The owl function enhances details in the black field through local dimming without losing color.

Advanced Set

1. HDR - This option turns on or off the HDR of the monitor.
2. MPRT - when the refresh rate reaches 75Hz can MPRT be turned on.
3. DCR- To choose DCR on/off.
4. DDC/CI- To choose DDC/CI on/off.

On Screen Display(OSD)

System Set

1. Language – This is a language description.
2. Input Source
 - a. HDMI – This option selects HDMI as the video source of the monitor.
 - b. DP – This option selects DP (Display Port) as the video source of the monitor.
3. OSD H-position – Adjusts OSD horizontal position.
4. OSD V-position – Adjusts OSD vertical position.
5. VOLUME – This option will allow you to adjust the volume from 0 to 100.
6. MUTE – This option will allow you to open or close mute.
7. RESET – This option resets all values in the OSD back to factory standard.

** Note: OSD is continuously updated, minor differences may exist in some functions' description. The actual effect prevails.*

Troubleshooting

Issue	Possible Causes	Solutions
Unable to turn on	No power	• Make sure the power cord is plugged in properly. • Press the on/off button to turn on the monitor.
Image is dark	Brightness/ Contrast not adjusted properly	• Adjust the brightness and contrast.
Image is jittery or has ripples	Interference	• Keep the monitor away from electronic devices that may cause electrical interference.
The indicator is blinking, no image on the screen	No signal, entering sleep mode	• Turn on the computer. • Make sure the computer's graphics card is working properly. • Make sure the DisplayPort/HDMI/DVI cable is plugged in properly.
Monitor displays: Out of range	Resolution is incorrect	• Use the specified recommended resolution settings.

Basic Parameters

Product Name	LED Monitor	
Product model	24FHDMEQNNZP	
Screen Size	24 inches (60.96cm)

Viewing Angle	178° (H) / 178° (V)	
Pixel pitch (Sub Pixel)	0.2745 (H) × 0.2745(V)mm	
Colors	16.7M	
Resolution	1920x1080	
Maximum refresh rate	144Hz	
Speaker Specifications	8Ω/1W	
Power Input	DC 12.0V ≡ 3.0A	
Product Dimensions	Without base	539*320*41mm
	With base	539*418*170mm
Tilting angle	Forward tilting : 5° ± 2°; Backward tilting: 15° ± 2°	
Net Weight	2.74kg	
Gross weight	3.7kg	
Environmental conditions	Action	Temperature: 0°C - 40°C (32°F - 104°F) Humidity: 10%-90% RH (non-condensing)
	Storage	Temperature: -20° - 60° (-4°F - 140°F) Humidity: 5%-95% RH (non-condensing)

Warranty Terms & Conditions:

Flipkart India Private Limited ("Company") warrants the product to be free from manufacturing defects or any other specific defect as may be specified in the Specific Terms and Conditions below. The warranty is for a period mentioned in the Specific Terms and Conditions below, the invoice (if not specified in the Specific Terms and Conditions below), as well as the product listing page, and such period shall commence from the date of purchase of the product by the first end user. This is a non-transferable warranty, valid only in the territory of India and extended only to the first end user customer ("Customer") basis the following terms and conditions, which the Customer is deemed to have accepted upon purchase of the product:

- 1.The warranty period of the product is 1 year, commencing from the date of purchase, Warranty service which includes\ replacement or repairs, will be carried out through the Authorised Service Centers ("ASC/s") only.
- 2.Warranty will be valid only when the original purchase invoice is presented at the time of service. Company reserves the right to decline warranty service if the purchase invoice is not presented.
- 3.In case of commercial usage of the product, warranty period would be limited to 90 days only.
- 4.Warranty will cover only functional parts, issues having manufacturing defects and does not cover damages to the product resulting from unauthorised adaptations/ adjustments/ tampering/ repair, improper installation or placement, mishandling, improper use, deviation from the instructions set out in the user manual (if applicable) normal wear and tear caused due to use of the product.
- 5.Warranty does not cover any external accessories and fittings to the product.
- 6.All plastic, rubber, glass, or aesthetic parts and consumable replacements will be on a chargeable basis.
- 7.Warranty shall not apply to damages caused to the product by accident, voltage fluctuations, lightening, ingress of water (beyond certified limits, if any), fire or any other natural calamity, improper ventilation, dropping or excessive shock, or any external cause beyond Company's control.
- 8.Company shall retain all products or spare parts which are replaced and the ownership of the same shall vest with the Company.
- 9.Company is not liable to provide repair services or spare parts after the period of warranty expires and the same if provided will be on a chargeable basis.
- 10.Whilst the Company, through its ASC, shall make every effort to carry out the service at the earliest, it is expressly clarified that the Company is under no obligation to do so within a certain time period.
- 11.Whilst Company would take all necessary steps to repair the product under warranty and maintain sufficient stock of the spare parts of the products, in certain cases, at its sole discretion, Company may due to non-availability of spare parts of the product or product being in a state which is beyond economic repair, offer a replacement scheme to the Customer. The terms of such replacement offer is subject to change from year to year and shall also be applicable on the maximum retail price of the product.
- 12.Company at its sole discretion, may repair the products or replace the spare part or product with a comparable spare part or product that may be new or refurbished.
- 13.All transportation & handling expenses incurred while replacing or repairing will be payable by the Customer.

- 14.Warranty shall be void if:
 - i.The type or serial no. on the product has been altered, removed, or defaced.
 - ii.The product is not operated as per the instructions given in the User Guide, if any.
 - iii.The defects are caused by household pets, rats, cockroaches or any other animals or insects.
- 15.The warranty automatically expires after the period of time stated in the product invoice even if the product may not be in use for any time for whatever reasons.
- 16.This Warranty shall not affect Customer's statutory rights under any applicable law.
- 17.Customer agrees to indemnify and keep Company harmless against all damages, liabilities, costs, expenses, claims, suits and proceedings (including reasonable attorney's fee) that may be suffered by the Company as a consequence of:
 - i.violation of these terms and condition by the Customer;
 - ii.violation of applicable laws by the Customer;
 - iii.any action or inaction resulting in willful misconduct or negligence on the Customer's part.
- 18.In the event of repairs of any part (s) of the product, the Warranty will thereafter continue and remain in force only for the unexpired period of the Warranty. Moreover, the time taken for repair and in transit whether under the Warranty or otherwise shall not be excluded from the Warranty period.
- 19.This panel is made up of sub pixels which require sophisticated technology to produce. There may be, however, a few (upto 5) bright or dark pixels on the screen. These pixels will have no impact on the performance of the product.
- 20.Company takes no legal responsibility whatsoever for any interruption of app services caused by the service provider for any reason.
- 21.None of the employees, sellers, dealers or ASCs of the Company have the authority to vary these terms and conditions.
- 22.Customer agrees that the courts at Bangalore shall have the exclusive jurisdiction to settle any dispute that may arise in relation to this Warranty or these terms and conditions.
- 23.COMPANY SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, EXEMPLARY, SPECULATIVE OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, ANY LOSS OF USE, BUSINESS INTERRUPTION, AND LOSS OF INCOME OR PROFITS, IRRESPECTIVE OF WHETHER IT HAD AN ADVANCE NOTICE OF THE POSSIBILITY OF ANY SUCH DAMAGES.
